Matrox announces new Millennium P650 PCIe 128 graphics card

Renowned DualHead® technology and unwavering stability for financial and enterprise PCI Express workstation and desktop users

Montreal, Canada, February 7th, 2005 — Matrox Graphics Inc., the leading manufacturer of professional graphics solutions, today announced the new Millennium P650 PCIe graphics card, bringing Matrox's productivity enhancing DualHead® technology and unparalleled image quality to financial and enterprise PCI Express™ workstation and desktop users. This PCI Express (PCIe) x16 graphics card further enhances Matrox's product line to provide financial and enterprise professionals who choose to transition to PCI Express with a broad choice of Matrox Graphics solutions designed to meet their specific needs.

"The new Millennium P650 PCIe 128 graphics card brings Matrox's well known tradition of stability, reliability and outstanding video output quality to the PCI Express platform. Our dual-display customers who enjoy impressive 2D performance will now have access to Matrox Pivot feature; a new capability that enables insurance and legal professionals to view documents in Portrait mode rather than the conventional Landscape mode," says Jean-Levy Beaudoin, senior product manager, Matrox Graphics Inc.

The Millennium P650 PCIe has native x16 support and features dual 400 MHz RAMDACs, Matrox UltraSharp Display Output Technology, and DualHead analog and digital resolutions up to 1920 x 1440 per display. Supported output configurations include: DualHead independent, DualHead stretched, DualHead Clone, DualHead Zoom and Portrait mode. This product supports Linux and includes high-quality WHQL certified display drivers for Microsoft® Windows XP® and Windows® 2000. In addition to being a unified driver, the Matrox PowerDesk-SE utility suite allows you to change certain display settings or access Matrox features such as Customizable Unattended Install.

Pricing and Availability

The Millennium P650 PCIe 128 will be available in April 2005 at a list price of \$249 USD. This product will be available from authorized resellers or directly from Matrox at <http://shopmatrox.com>. For more information, please contact Matrox sales at 1-800-361-1408, or 514-822-6330, or email insales@matrox.com.
